

News Update March 2020

7th March 2020

Here is the latest addition to the Newark Castle Archers family- Harper, Queen of the Castle, who has been newly elected as our official mascot.

1st March 2020

Today 3 Newark Castle Archers and their mascot went to Sherwood Archers double clout. It was very very windy and loved changing direction just to make shooting even more difficult. However, came away with 3 medals:

Kyan 1st in under 12

Taylor 1st in under 16

Mandie 3rd in senior ladies and all barebow!

We met some new friends, shot with lots of familiar friendly faces and most of all had a cracking time in beautiful surroundings.

24th February 2020

The annual grantham challenge. This year Newark Castle Archers were crowned champions with a score of 1608. Visit our competition results page to see the full results.

23rd February 2020

Today we had our chairman's challenge, in memory of our founder Michael Dutton, with Grantham Archers. We had his lovely wife Annette, his mum Rosemary and his daughter Keeley-Anne present the winners with medals and trophies along with the team trophy, which we won!

Thank you to everyone who came along and help keep Michael's memory alive.

Thank you to Katy, Zoe, Dan the man and our queen Harper.

11 February 2020

A great evening on Newark Radio, with the boys and their mums tonight, talking all things Archery at Newark Castle Archers. We even had a little beaver teddy called Artie getting in on the action from Harper's (Kyan's sister), Beaver Group!

19 December 2019

Tonight was our annual Christmas shoot which involves a little Nottingham Forest shoot in memory of our founder, Michael Dutton. He was an avid county supporter and we know he would laugh and cringe at the fact we chose Notts Forest as a fun way to remember him!

12 December 2019

Wow what an afternoon Newark Castle Archers had today. We were part of a documentary being filmed in the Castle grounds on Rivers and Newark Castle was a feature as it sits on the River Trent, along with the history of longbows and archery in general. It was very very wet and freezing but my Archers were troopers as always

8th December 2019

Another fun and successful shoot at The Foxes Archery clubs 2nd round of their Countesthorpe triple. This time the Worcester round! Kyan went and run his junior category and it was his first time ever shooting at this 18cm black and white target. Everyone else had a great time and Ed came 3rd in Gents Barebow with a new PB score of 230

1st December 2019

Newark castle archers were competing again today. This time at Targetcraft in northants. It was very very cold as heating broke down, however, 3 of us came away with medals

Marti Ladies Recurve 2nd

Steve Gents longbow 2nd with a PB

Mandie Ladies Barebow 3rd

17th November 2019

3 Newark Castle Archers showing off their medals after competing at the EMAS WA18 today

Robert 2nd Gents Barebow 334 points

Steve 2nd Gents Longbow 313 points

And Marti came an impressive 3rd in ladies recurve with a PB 532 points. The recurve category is the biggest out of all the Archery disciplines and the hardest to win any medal in so to come 3rd is brilliant for Marti and our club! Ian and Robert shot well too
