

Success at Belvoir

September 1st saw one of our archers compete at the Belvoir Archers '2 and 3 Shoot'. Steve was the only member of our club to attend this competition which was open to all archers who have not yet achieved their 1st class award badge.

The 2nd class competition required Steve to shoot a short national, at 50 and 40 yards, in the recurve category. He finished with a score of 531, shooting 30 golds from 72 arrows; securing him an excellent 2nd place!

Well done Steve!
